

VIRTUAL DEMENTIA TOUR®
YOUR WINDOW INTO THEIR WORLD

Think you know what living with dementia is really like?

Take a walk in their shoes.

Take the Virtual Dementia Tour®

Join us... on a powerful journey to experience the realities of daily life with dementia.

This life-changing experience will give you the insight and empathy needed to provide better person-centered care by helping you identify personally with the needs of those living with dementia.

The Virtual Dementia Tour is:

- ◆ The first of its kind
- ◆ Clinically proven
- ◆ Evidence-based
- ◆ Simulation of the effects of aging and dementia
- ◆ Proven source of education resulting in better care for elders with dementia
